## 1. Identification of the mixture/preparation and the company

Product name: Airstop Solid Sd23  
Trade name : Wall Airstop Solid Sd23 (various widths and roll lengths)  
Formulation: PP nonwoven, special polymer  
Intended use: Water vapour control layer

Company identification: Isocell GmbH

Gewerbestraße 9  
5202 Neumarkt am Wallersee  
www.isocell.com  
Tel: +43 6216 4108-0

---

## 2. Composition/information on ingredients

Ingredient comments:

This product may contain various types of additives, none of these have to be reported.

---

## 3. Hazards identification

This product is not classified as hazardous according to 999/45/EC and/or 67/548/EC.

This product can burn if ignited.

In that case, the polyethylene polymer will melt, releasing toxic fumes.

---

## 4. First aid measures

Inhalation: Not applicable  
Skin contact: None  
Eye contact: None  
Ingestion: None

---

## 5. Fire fighting measures

Extinguishing media: Use water, Foam, CO<sub>2</sub>, Powder

Special fire fighting procedures: No specific fire fighting procedure noted.

Unusual fire & explosion hazards:

Hazardous decomposition products: No hazardous decomposition products

---

## 6. Accidental release measures

Spill cleanup methods: Not applicable

---

## 7. Handling and storage

Usage precautions: None  
Storage precautions: Ambient  
Storage criteria: Ambient

---

## 8. Exposure controls and personal protection

Exposure control:

Inhalation: Not applicable

Skin: Not applicable  
Eyes: Not applicable  
Environment: Not applicable

---

## 9. Physical and chemical properties

Appearance: White nonwoven, with a polymer coating  
Colour: White  
Odour/taste: Not applicable  
Solubility description: Not applicable

---

## 10. Stability and reactivity

Stability: Very good  
Materials: Strongly oxidising materials  
Hazardous decomposition products: CO<sub>2</sub>, CO, flammable hydrocarbons and smoke.

---

## 11. Toxicological information

Acute: None  
Inhalation: None  
Skin contact: None  
Eye contact: None  
Ingestion: None  
Carcinogenicity: None

---

## 12. Ecological information

Degradability: No information available  
Acute fish toxicity: No information available  
Water hazard classification: No information available

---

## 13. Disposal considerations

Disposal methods: Dispose off in accordance with local regulations.

---

## 14. Transport information

There are no special regulations for this product.

---

## 15. Regulatory information

Label for supply: None  
Risk phrases: None  
Safety phrases: None

---

## 16. Other information

User notes: Issued November 2018  
Changes: New document  
Type of product: Insulation material.

Information sources: MSDS of the suppliers.

This MSDS is set up in accordance with guideline 93/112/EG.  
Guideline 2001/59/EG has been used to classify this material.
