Heavy Metals

Steel products voestalpine Stahl GmbH

Dear valued customer,

Thank you for your interest in the products of voestalpine.
We are pleased to provide you strong environmental arguments with our sustainable steel products.

Referring to your current inquiry, we would like to provide the requested information as follows:
Our steel products delivered to you in 2023 are in compliance with Directive 2011/65/EU (RoHS 2) and delegated Directive 2015/863/EU (RoHS 3) amending Annex II and Directive 2018/741 amending Annex III to Directive 2011/65/EU.

According to Directive 2011/65/EU the maximum concentration values tolerated in homogeneous materials are:

Substance	Max. concentration
Lead (Pb)	0,1 % (w/w)
Cadmium (Cd)	0,01 % (w/w)
Hexavalent Chromium (Cr VI)	0,1 % (w/w)

We hope to have answered your questions.
If you need further information, please do not hesitate to contact us.

Sincerely,
voestalpine Stahl GmbH
